Subject: Continuing Healthcare packages of care at home

		Response from ICB
1	<p>Packages of care funded under NHS Continuing Healthcare that are provided in the service users own home. These are most likely to refer to packages of care provided by home care agencies or domiciliary care provider.</p> <p>Out of these packages of care I would like to know:</p>	
	a) How many packages involve the commissioning/funding of a nurse for 24 hours a day?	Less than 5
	b) How many packages of care fall within the cost bracket of £10,000 to £11,000 a week?	Less than 5
	c) How many packages of care fall within the cost bracket £11,000 to £12,000 a week?	Less than 5
	d) How many packages of care fall within the cost bracket of £12,000 to £13,000 a week?	None
	e) How many packages fall within the cost bracket of £13,000 to £14,000 a week?	None
	f) What is the budget/cost of the most expensive package of care? This can be weekly or annual budget, rounded to the nearest £1000 to avoid identifying the package by giving exact budget	Less than £17,000
